

THE ONLY THING BETTER
THAN OUR CHAIRS...
IS OUR VIEW...

A World Away. The Golden Inn whispers to you the quiet peacefulness of a secluded, year-round oceanfront hotel. Snuggled on the white sandy dunes on the barrier island of Avalon & Stone Harbor, New Jersey, our hotel is centrally located between New York City, Washington D.C. and Philadelphia. We are a full-service beachfront hotel that offers professional conference facilities and services to groups from 5 to 200 attendees in a variety of settings.
